A bus will run from school to the Maries River Bridge and back to school. A bus will also run from Koeltztown to the bridge, but the remainder of the route on that side of the bridge is undetermined. Please continue to watch for route updates and estimated pick-up times on the website www.fatimacomets.org.

Make sure your lunch account is current – if you have a negative balance, please deposit money. Drivers, keep your parking tag in a safe place over the summer (like your glove compartment). From Mr. Buthod - Next Year's Schedule: The On-Line Dual Credit Chemistry class being offered next school year could be cancelled. If Missouri Valley is not able to offer this class then we will offer it as an AP Chemistry class next year. Mr. Strobe will proctor the class if we are able to offer the on-line dual credit class. If the class is dropped then Mr. Strobe will teach it as an AP Chemistry class. If students end up taking this class as AP then you would have to take the AP Chemistry test after you have

completed the class and if you pass it then you would get the college credit for the class. We will keep the students that have already signed up for this class updated on what happens in the next month with this class. We will offer the On-Line Dual Credit Biology class next year and there are no issues with offering that class.

GUIDANCE

Be sure to look over your final grades. If you think something is not correct, bring it to your teachers' attention immediately – semester grades are posted to final transcripts and will determine scholarship eligibility, etc.

Next Year's Dual Credit Chemistry II: We are not sure this class will be for dual credit next year. This depends on the university that we go through. If it isn't for dual credit, it will be an AP class. See Mrs. Mueller with questions.

Next Year's Dual Credit Biology: This class will only be for one semester. We have placed it opposite forensic science one hour and environmental science another hour. This will be reflected on your schedule.

If you have failed or are failing a class and you want to make up the credit during summer school, see Mueller SOON!
