We understand track/field requires much earlier start times than other sports and it is difficult to schedule parent where both parents in the household are available for the assigned shift. For this reason, we ask that at least one parent show up for each shift that your child's name is assigned to.

If you are unable to work you assigned shift, please find another Track Parent to cover your shift.

Above are extra parents that did not get put on the list so please get in contact with them or switch with another parent.

Parents working first shift should arrive 30 minutes prior to the start of the meet if at all possible for set-up.

Parents working the last shift will clean up, restock the soda cooler, lock up and get the money box to the assigned administrator
