--

We know track & field meets have early start times and it is difficult to schedule when parents/guardians are available. We ask that at least one parent/guardian work the shift your child's name is assigned to. If you are unable to work your assigned shift, please switch with someone or find another parent to work your shift. The sub list above are parents not assigned a shift. First shift is scheduled 30 prior to the start of the meet for set-up, so please arrive on time. Last shift will clean up, restock the drink cooler, lock up, and take the money box to the assigned administrator.
