

FATIMA ELEMENTARY SUMMER SCHOOL

It's time to plan for Summer Fun!

Dates: Wednesday, May 31 through Tuesday, June 27.

Times: 8:00 am - 2:30 pm

Students who will be attending Kindergarten through grade six during the 2017-2018 school year are eligible to attend summer school in the elementary. They will work on math and language arts skills based around a theme in the mornings. Some of the themes for this summer include Magic Tree House, Missouri History, and Oceans. In the afternoons the students will work on projects and activities. Some of the projects planned include Legos®, computers, science experiments, and cooking.

School will consist of a four-week session, Monday thru Friday, with instruction time of six hours per day. Lunch will be served each day. The price for lunch is \$1.95 for elementary students. If your child qualified for free or reduced lunches during the 2016-2017 school year, that will also carry over to summer school. This pertains to parochial students also. Principals from the parochial schools will provide us with the lunch information along with the registration forms.

Buses will pick up students at the churches in each town and along the highways on the way to Fatima. The bus information is listed on the back of this sheet. Please use this information to let us know which bus your student will be riding. We will send finalized bus information along with teacher assignment at a later date.

If you know your child will be absent due to a vacation, please note those dates on the form. If parents do not call in to report their child absent, we will call to check.

Please complete the form below and attached health form to confirm attendance in summer school and return to **the school your child attends** by **April 21st**. We need this information to determine staff and supplies.

(Return bottom portion only)

Student's Name _____

Grade 2017-2018 : _____ Attending: _____ School _____

Date of Birth (Required) _____
