

English I Book Drive

April 2019

**English I students are looking for book donations as a part of
the 2019 book drive**

This book drive allows students to benefit one another by bringing in old books and switching them for new books. This ensures that all students have fresh reading material for the summer. For this reason books that are donated should be:

- Clean of dirt, mites, stains, or mold
- Interesting for young adult readers
- Contain all of the original pages and entire cover
 - Contain Acceptable/clean topics

Books can be brought to Mrs. Baughman's room (#152 in the high school) for the entire month of April. Questions can be directed to Mrs. Baughman via email at baughmanj@fatimacomets.org or over the phone at extension-234 in the high school.
